

2012 SPECIAL OLYMPICS USA SCARF PROJECT

*Special Olympics & Red Heart® invite you to participate in the
2012 Special Olympics USA Scarf Project!*

What is the Special Olympics USA Scarf Project?

As a symbol of unity, community and support within the Special Olympics Movement, we are asking for people to make handmade scarves that will be gifted to athletes, coaches, families, volunteers and supporters of each participating Special Olympics Program.

How do I get involved?

Special Olympics Programs across the country are participating in the 2012 Special Olympics USA Scarf Project. Knitters and crocheters can get involved and choose any of the participating Special Olympics Programs to support by donating their knit or crocheted scarves.

When Can I Donate?

Scarves are being accepted now through March 2012! Check our website for each Special Olympics Program's deadline.

For more information on participating Special Olympics Programs, color and size guidelines, FREE patterns and more, visit www.scarvesforspecialolympics.org.

Don't forget to spread the word to your friends and family!
