Message from the Governor & Senior Regent:

Its that time of year, to start seriously thinking if you would like to be a Elected Officer for the WOTM. Please find a PDF attachment with this newsletter describing each position. As reported, we will also be talking about this at our 1st Annual Meeting .

We really encourage all our new & older membership to think about how you can use your time & talents to make our organization grow & to help our community. New ideas and participation is what keeps this organization going.

Please consider this opportunity and if you have any questions, feel free to come to a meeting, e-mail or call and we can discuss further .

Thank you so very much.

Bill Williams, Governor & Debbie Rose, Sr. Regent
