**State Poker Tournament a Winner!!!!**

The Poker Tournament held March 31 & April 1, was a "Winner" all the way around. Members from across the state came from as far as Olympia & Grand Coulee and those coming locally. We had a total of 44 players and they played until about 6:30 PM. We paid out 5 places. Everyone has told us how much fun they had in our lodge. These sport's events give Lodges and Chapters a chance to sell food, drinks and introduce members from around the Northwest to local members. We all worked together to make this a successful, entertaining weekend. Thanks to all the people who helped.

**So MANY THANK YOUS!!!!!!**

We try to get thank yous out for all the members that put so much time and money into the Lodge, but there are always times when people get missed. Mistakes do happen. Kristy and Scott Rudfelt, several of us were out of town and unable to attend the Chinese Dinner that was held a short time back. Thank you for all the effort and time you put in on this dinner. The members said it was terrific. The Lodge appreciates all that you did to make this such a successful dinner. Good Job!!! To all those members who have stepped up to do dinners and fundraisers, Kudos for all your efforts.

**MOOSE RACES**  
Every Saturday Night  
at 5:30 pm  
Come join in the fun!

**OPEN Memorial Day**

**Want to Win \$25.00?**

Every newsletter will have a random membership number published somewhere. If the member comes into the lounge and presents his/her card they will receive \$25.00...CASH! This donation has been made by the Tony Bashore Family. Thank you Tony, Mona & Russ!

**EASTER AUCTION**

To all the people that came out with goodies to be auctioned off and for all of you who spent your hard-earned cash to support this auction, we are grateful. The men and women helped raise over \$2000 for the tax fund. Just think if we held four of these auctions a year, we would have one year's taxes paid, and the men and women would have fun working together.

Please understand that the Lodge is not considered a non-profit in the State of Washington, we are required to pay taxes. We have worked so hard to get caught up on taxes and it looks like we have finally made it. This task has only been accomplished by the generosity of all the members that have contributed to all of our fund raising activities for the last two years.

Without the belief, love and support of Monica and Bill Smith we probably would have given up. Monica believed that we could raise the funds and she kept encouraging all of us to believe that we would succeed. Monica and Bill are our "special angels" who truly live daily the phrase "ask and you shall receive." We love you both very much.
