

Are you Joining Us in Anaheim for the 2011 International Convention June 30-July 6?

If so, we're suggesting that you make your room reservations at the Red Lion Hotel in Anaheim because they're rolling out the red carpet for the Washington / Northern Idaho Moose Members and Co-Workers. If we can book a minimum of 30 rooms, it would allow us all to be in the same area PLUS we can have a special suite with parlor room where we can have our own hospitality food and beverages. We could allow you to bring in food to share, or take up a collection and provide us all with food and beverages.

The price is comparable to all the Convention Hotels, so it's a no brainer. To make your reservations call the Moose International Number at 714-765-8848 and specify that you want to be with the Washington / Idaho delegation at the Red Lion. If you've already Made your reservations and you want to be with us, please check

to see if you can change them to the Red Lion.
