Hello fellow Moose Members!

October is here which means our fall festivities are underway. We are trying to get a lot of things going on and we need your help. The kids Halloween party will be on October 25th, starting at 11am. We are asking for candy for the kids once again this year. We will be doing a costume contest along with all sorts of games. If you have anything that you can donate for this, it would be great! We'd like to do some pumpkin painting again this year with the kids, but we need some pumpkins, we were able to get them donated to us last year, but we aren't sure about this year. If you are able to donate some small pumpkins, that would help us out greatly..

Taco Wednesday is still going on. I'm so happy to see all of you that come down to support your lodge for dinner! Thanks! I'm still looking for women (or men for that matter) to help out with Friday night dinner. If you would like to cook on a Friday night for the members, please let me know! Hopefully I can get October all booked up for dinner soon!

There are many things that are in the works, as I said, such as our Holiday Bazaar. Like always it will be held the 1st Saturday in December. I would like to have a turnout like we have had in the past. If you would like to, or know anyone that would like to, participate in the Bazaar please contact me here at the lodge (765-4256) or at home (771-2489). We'd love to have you down here. There is no set price for a table, we ask for a donation to help support our family in need that we adopt every year. Which leads me to the next item. We need to find our family that we would like to adopt this year. If you know of a family in need please gather some information for us and bring it to the board meeting. We have helped out some great families in that past and we would like to continue with this tradition in the lodge! If you have anything that you would like to see happen down at the lodge, please feel free to come down and voice your ideas, comments, or concerns. We love to hear from each and everyone of our members on any matter that they may have!

In Faith, Hope and Charity

Greeting Brothers and Sisters,

Sorry I've been away for so long, My work schedule is about to drive me crazy! (crazier?) The weird spring we had this year has confused the crops. The powers that be, have forecasted corn, to run into the first week of November and carrots into the first week of December! Needless to say, I will still be in and out until I get everything frozen!

Being just a little (Okay a lot!) late, I would like to take this opportunity, to thank everyone involved with the fair, from the bottom of my heart! Without everyone's help we could never pull this kind of thing off. Thank you!

Now with all the excuses and mushy stuff out of the way, let's talk respect. I was raised in a fairly large family, six brothers, no sisters and a set of parents with a great backhand! I am number six of the seven and it didn't take me long to learn to respect others. I learned to treat people as I wanted to be treated. When it was time to go home, it was time to go home. We Didn't back talk or badmouth any one because we knew the trouble we caused would be worth less than the extra five or ten minutes extra time we had at play.

That being said let's all try and respect out fellow man, woman or child, talk to others in the manner you want to be talked to and most of all, when it's time to go home, it's time to go home! I know a bartender once, who told us "You don't have to go home but you're NOT staying here."

He was a great guy!

Respectfully,
Your Gov,

Dan Dwyer

Hello fellow Moose Members,

Hope all is well in your neck of the woods. So much to say but where to start. Dues will be going up \$5 on the 1st of October. Sorry not much we can do. Speaking of dues a few of us have expired or a going to expire soon, lets get in and renew our membership as soon as possible.

I haven't had a chance to speak about the fair so I am sending out a BIG KUDOS to all who helped. I volunteered a couple hours and came to find out it was a lot of fun. An other BIG SHOUT OUT to Mr. Kevin Close for all the hard work and long hours he put in at the fair booth before the fair started. As well as Missy, Sheryl, Martina, Mimi, Christina & all those people that made a difference by taking a little time and pitching in. I know that I missed some people but from the bottom of my heart THANK YOU. It is because of you we had a great Fair Booth.

I am sad to inform all of you that I will be stepping down as Administrator & Business Coordinator due to unexpected health issues. I guess health issues are always unexpected. No worries every one they are minor & under control. But unfortunately in order to get better I have to slow down a bit, in order to do so I am resigning. In the short time that I have been in those seats I have learned a lot about the Moose and its what it takes to make it work. To all the people who took the time to teach me and help me Thank You very much. To all of you on the front line, continue to do the job your doing your the reason our lodge is successful. If any one else has and idea or would like to see something done different bring it to the Open Board meeting and express yourself. Only through your participation will the Moose be all it can be. Once again apologies for my resignation but thank you all so much for everything else.

Respectfully,

Ramon

Hey Fellow Moose Members,

I know that I don't have to write anything to the newsletter anymore, but I've become very concerned about our lodge again. I just have 1 question for you. How much do you want the lodge to survive? Seriously, how much do you want it to survive? Are you willing to pay your dues, volunteer, frequent the lodge???? Do you know we have a happy hour from 4 until 7? Did you know that you could come in and have dinner or play darts on Wed, Thurs Friday and Sunday? Wednesday night tacos..... 6 tacos salsa and chips for \$7 Brandi is our cook and she does an awesome job. Thursday and Sunday our kitchen is open, and Missy cooks up some great meals each week. Friday night we have the women of the moose cooking a dinner (of course this is where the volunteering comes in). We play darts, and it is getting harder and harder to get enough people to play. Karaoke is every Friday, and we have a special double shot of karaoke on the 4th. We have Tejano music, top 40 music, and if you haven't come in for any of the Saturday night functions you really are missing out! I guess what I am telling you is, unless we get participation back up so that we can maintain then we are going to loose our lodge.

Now, make up your minds to help us keep it open. Volunteer, for the door on Saturday, or to set up tables on Sunday or cook a meal on Friday. Come in and help us take care of our building. We can not stay open if you don't come in and participate. If you truly love this lodge, then support it.

Thanks for your time.
Joey C
