

\$10 Enrollment Fees and A Year's Dues ... Yours Just for the Picking

For every member you sign in January and February, WSNIMA will pay *\$10* of your Candidate's Enrollment Fees; and when you sign *2* members in January and February, your Lodge will pay your next year's membership dues. Once those candidates are reported to Moose International, your next year's dues will be paid by your Lodge.

If you sponsor 2 members during January and February, 2010, and those members are reported to Moose International, your Lodge will pay your dues for the next yearly period and the Washington State / Northern Idaho Moose Association will reimburse your Lodge \$10.00 toward your Candidate's Enrollment Fee. Campaign runs from January 1, 2010-February 28, 2010.
