WOTM Chapter #1492 News

We have a very active Chapter of the Women of the Moose. They are a dedicated team of women focused on supporting Mooseheart & Moosehaven, our local community and our Lodge. As Moose members, they are actively involved in all lodge activities and leadership roles. In addition to that, our WOTM Chapter has planned several charitable fund raising, civic involvement, and lodge fun activities.

May 17 -WOTM Dinner 5:15-out, Chicken Cordon Bleu, Garlic Mashed Potatoes, Green & White Beans, with a Raspberry Brownie for Desert!

Hello Women of the Moose!

May brings changing weather and changes at the Moose Lodge. We have installed new officers for both the Lodge and the Chapter and there are fun changes afoot.

The Women of the Moose Chapter 1492 began meeting during the day because of Covid and the need to have social distance during our meetings. Beginning this month we are bringing back an evening meeting so that Chapter members can attend who are unable to make it during the day.

This starts Thursday, May 22 at 6:00 pm in the conference room. Ladies, this is your chance to see the business aspect of our Chapter as well as learn more about what we contribute to the Lodge and the community. We will also have refreshments and a chance to socialize. Prior to the meeting you are able to buy dinner starting at 5 and able to stay after and join in karaoke if you desire.

We hope a lot of you that have been unable to join us will start now!

As a side note: we are in need of a chairman for our Fraternal Activities Committee as well as a Senior Regent. Please talk to me or one of the other Chapter officers if you are curious.

News from the Lodge.....

Hello Fellow Moose Members,
This is my last letter of the year. I want to thank everyone for your support this year. Just to remind you, we are a Premier Lodge and our Charter, and our Community Service is over 100 years old. I'm looking forward to this next year, and all that we can accomplish together.

Please welcome our new board members and a few new changes. Looking forward to seeing and hearing from you.

Your President Tim Rupp

Many of you may not remember articles from the Administrator. It has been quite a while since the lodge has had someone to fill this position. It is my hope that we can all work together to make the lodge a little better place to have fun and continue the fraternal requirements we have as a Moose Lodge. There are several things that I would like to tackle in this position. Our biggest problem is finding volunteers to help at the lodge. I will be actively asking members for help with cleaning, maintenance of all types, and of course the KITCHEN. We are an all volunteer lodge. My first project will be a lodge clean up, call it a spring cleaning. I will be asking for help with this project. It will be nice to get it done in May but may have to wait until June. No specific date has been set at this time. Don't be surprised when I walk up and ask for your help. Don't be surprised when you see me walk up with a clip board!

Fraternally, Betty Loftis
Administrator.
