## LOOKING FOR VOLUNTEERS

Our lodge is run by support of our members who volunteer and we are looking for more volunteers. We are asking for 3-5 hours once a month to help with a dinner or an event.

James J. Davis the founder of the Moose said, "*a burden heavy to one is borne lightly by many.*" Please reach out to Rebecca Hoffarth (509)628-7404 to let us know when you are available. We are looking for kitchen help for Taco Tuesday, Burger night Wednesdays and dinners on Friday nights.

# Thank you

**in April we took on the Heart of the Community project ( our community service project) of making 20 Easter baskets for our local domestic violence shelter Hope Alliance here in Centralia. The generosity of our members knows no bounds honestly as the donations poured in. Friday April 18<sup>th</sup> members Rocky and Charlene came down in their full Easter Bunny outfits ready to build baskets. Members stuffed eggs, filled baskets, arranged baskets and so much more. From the entire board of officers for our lodge THANK YOU from the bottom of our hearts!**

# GETTING OUT IN OUR COMMUNITY

As the school year draws to a close so does our community service *Birthday in a box* project. We will probably have one more drop off with the birthday supplies for Washington Elementary School here in Centralia . We would love to expand this project next school year but would like to find a person who would be chairman to be in charge of this project. Please reach out to lodge president Rebecca Hoffarth (509)628-7404 for more information

## What's next for our community?

Join us this month as we collaborate with our local Girl Scout troop for a meaningful hygiene products drive! We invite you to drop off your contributions in the designated bin located in the lodge lobby. Your generous donations will help support individuals in need, and **we welcome all hygiene items**, with the exception of razors. To ensure the widest impact, we kindly request that **items be travel-sized**, if possible. Your participation not only aids our community but also empowers the Girl Scouts' mission to make a positive difference. Thank you for your support and generosity!

**Is community service near and dear to your heart? We are seeking a member who would like to be our lodge Heart of the Community chairman. For more information about the responsibilities of this person please reach out to our lodge vice president Rob Guenther via email [robjguenther@gmail.com](mailto:robjguenther@gmail.com)**
