# Frequently Asked Questions

## FAQ's - General

1. **Why do we need another recognition program?**

   When the Moose Fraternity unified on May 1, 2021, female members began serving on lodge, district and association boards and committees. Unfortunately, this service did not count toward either of the two longstanding Higher Degree programs of the Women of the Moose (Academy, Star, College) or of the men's (Moose Legion, Fellowship, Pilgrim). In addition, nearly 500,000 male members of The Moose were not part of the current Higher Degree program. We needed a new recognition program that every member could be a part of.

2. **When will I be notified if I qualify for the Moose Preferred status?**

   Moose International runs a qualifier report on the first of every month. You will be notified during the month that you meet all five of the criteria listed.

3. **Do I have to track all this myself?**

   Yes and No. The only thing you have to track is your volunteer hours. Once you attend a Lodge Orientation presentation, your Administrator will record your attendance on your membership record. Moose International's member database system will track all other criteria.

4. **How are volunteer hours verified?**

   In the Moose Fraternity, we value honesty and integrity. We trust that each member can accurately log their volunteer hours without assistance from their lodge Administrator or Moose International.

# Frequently Asked Questions

## FAQ's - General

5. **As a current lodge officer, can I include attending the lodge board of officer and general membership meetings as volunteer hours?**

   Attending lodge meetings does not qualify for lodge volunteer hours. The performance of any duties contained in the lodge officer position description are not considered as recordable volunteer hours. As a lodge officer, if you volunteer to mow the lawn, maintain the landscape, cook wings on Wednesday night, wait tables during a meal function or take a turn as the bar steward, then these all count towards hours you can track for the program.

6. **I already have my College of Regents or Fellowship Degree; can I still participate in this new program?**

   This is a brand-new program that started on May 1, 2025. Every member is eligible to participate regardless of past accomplishments or Higher Degree recognition. We are all beginning at square one in this program, with basically a clean slate of fraternal contribution and activity. This is an opportunity for many to continue to lead by example and for others to earn a little recognition for the first time.

7. **Who can I contact if I have additional questions?**

   Brian Schimek in the Membership Department can answer questions regarding this new recognition program. His number is 630-966-2257 and email is bschimek@mooseintl.org.

# Frequently Asked Questions

## FAQ's – Preferred Status

1. **I attended my lodge's orientation presentation in October of 2024, does that count?**

   Unfortunately, it does not. The Fraternal Recognition Program has a start date of May 1, 2025. You will need to attend a lodge orientation presentation after this date to meet this criterion. An attendance sheet should be used at each lodge orientation and then your Administrator will update your membership record.

2. **Where do I log my volunteer hours?**

   All you need to do is to sign into your My Membership Record on the www.mooseintl.org homepage (bottom righthand corner) or on the Apple Store/Google mobile Moose App. Click on the "Volunteer Time" link and then add your hours.

3. **Do I need to volunteer 10 hours at the lodge and 10 hours for a Heart of the Community project/event?**

   No. You need a total of 10 hours with any combination of lodge or Heart of the Community volunteer service.

4. **I donate $5 to the Endowment Fund at my lodge whenever a collection is taken up, does this qualify as meeting the Moose Charities criteria?**

   Unfortunately, it does not. We appreciate your ongoing support of the Endowment Fund collections taken at your lodge, district meetings or association meetings. To meet this criterion, simply donate to Moose Charities via a check or credit card contribution. The children at Mooseheart and seniors at Moosehaven thank you!

# Frequently Asked Questions

## FAQ's – Power Status

1. **I sponsored 5 new lodge members in 2023 and 2024. Does this meet the criteria?**

   No, it does not. The program start date is May 1, 2025, so the earliest any member can meet this specific criterion is May of 2025.

2. **Our lodge Chaplain resigned in August and I was appointed to finish out the term. Can I get credit for the criteria of serving as a Lodge Officer?**

   Unfortunately, no you cannot. You must serve a full term, May 1 – April 30, in any position on the lodge board of officers. Partial terms are not considered for this recognition program.

3. **I participated in the Moose International Texas Hold 'Em Tournament in January of 2025. Does this count for my International Sports Tournament criteria?**

   No, it does not. You must have participated in a Moose International Sports Tournament after May 1, 2025 to meet this specific criterion.

4. **Do I have to complete all 50 volunteer hours in one month?**

   Although we are sure some members do provide 50 or more Moose related volunteer hours per month, this is not a requirement of the program. We are looking at your total cumulative hours of lodge or Moose-initiated Heart of the Community volunteer service, since May 1, 2025. This can be accomplished over months or even years. The key is for you to remember to log into your "My Member Record" and log the hours under the "Volunteer Time" tab.
