ARE YOU READY TO ROCK??? JOIN US THIS SEPT. 10-13 IN PASCO FOR OUR ANNUAL CONVENTION

We'll be Rockin' Around the Clock (or in my case, the sun dial) at our upcoming Annual Convention where we say goodbye to the old and welcome the new every year. Pasco is again hosting us for this our 79th year coming together to renew our obligations and enthusiasm.

This year we'll be welcoming back our favorite Canadian Wendy Matthew who shares a position on the International Board of Directors with our own Heather Morgan. Wendy has visited us before and she has always been a delightful Official Visitor.

Plans are still underway but it looks like there's going to be lots of music and possible lip sync contest on Friday night. Here's a chance to channel your favorite rock star and try to win a prize.

We also need help with fund raising, so if you're so inclined and can bring a silent auction item to donate, it would be greatly appreciated. As always, the hospitality room will be buzzing with conversations, games and camaraderie.

Also, this is a chance to congratulate our new Officers and Chairmen, meet new friends and renew old acquaintances. You can make your hotel reservations by calling the **Red Lion hotel at 509-547-0701** and ask for the Moose rate. You can register now at wsnima.org. (Or click on the graphic above.)

CONGRATULATIONS TO OUR INTERNATIONAL APPOINTEES

Serving out their second year appointments are Heather Morgan on the International Board of Directors, Geri Winters on the Women of the Moose Grand Council, and newly appointed Rebecca Hoffarth on the International Membership Committee.

A 4 AM alarm woke me up Monday morning in time for me to catch an 8 AM flight to Oklahoma City for our 2026 Moose International Convention. I made it to Oklahoma early enough to take a walk around the convention center. I did see our CEO Scott Hart walking through and got strategically positioned to stop him and say hello and introduce myself. Always cool to meet a "celebrity".

Grand Opening Session of The Moose was Tuesday night with Chairman of the Board John Reiter presiding. Session included reports by CEO Scott Hart, Mooseheart Executive Director Gary Urwiler and Moosehaven Executive Director Helen Taylor.

Wednesday started with the Fellowship Breakfast. It was a good gathering. WSNIMA didn't have any Fellows attending the Conferral. But it's always good to hear the conferral proceedings. It creates a bond by all in attendance. It wasn't intentional but a reminder was given that shaming does not inspire or create loyalty. Don't assume what someone has gone through to be present at any given place at any given time. Second Session of The Moose followed with more reports and presentations of the nominees for our new Moose International Officers.

Wednesday afternoon was spent attending Workshops. I made it to the Moose Grant Program Workshop and a Top 10 Questions and Concerns Asked by Lodges and Members Workshop. Good meetings with lots of information to share.

Thursday morning started with our Third Session of the Moose. More reports, election and appointment of officers. Premier Lodge Awards were announced. WSNIMA had four Lodges receive the recognition. Congratulations to Chehalis, Moscow, Nisqually Valley and Grand Coulee. Then another afternoon attending workshops. The Moose Member Orientation Workshop followed by the Mooseheart Unplugged Workshop Intended to give you a more in-depth look at Mooseheart, its operations and how your contributions can change and impact a child's life. What we got was an upfront personal telling from Gary Urwiler of some of the things that go into caring for these children. Some hard truths, and some inspiring stories. Lots of information that I can share with those that want to hear it.

A great trip, thank you to all for allowing me to represent the amazing people of the Washington State Northern Idaho Moose Association!

Welcome to Pasco and to our WSNIMA 2026 convention. We are thrilled to celebrate another stellar year of membership and recognize all the hard work you have all put in. We also want to give a special shout out to the June 13 membership workshop held at Mount Vernon, Washington, where 23 fantastic members showed up and enjoyed a great workshop and a wonderful dinner.

We can't wait to reveal our new promotion and give away at convention. Saturday of convention at the banquet we will be doing our punch board and breaking records to win prizes. You only have had to sign up one to be entered in the drawing.

Have a great time look forward to seeing and you all and seeing new faces!

Unfortunately I was called away from International Convention for a family emergency, so I didn't get to see all our great members who attended. Mike Moreau, your Association President was present, however, and did a stellar job representing you.

Membership numbers continue to fluctuate, but we are doing good for only being 3 months into the year. Retention keeps staying right around 80% and I'm extremely proud of how you are keeping our current members engaged. It should be a lot easier keeping our current members than signing new members; but if the Lodges keep engaging in their communities, reaching out to invite new members should be a no brainer.

I want to congratulate the Lodges who received the Premier Lodge Award this year: **Grand Coulee, Nisqually Valley, Moscow and Chehalis**. I'm sad that we only had these 4 Lodges make the cut as the Premier Lodge Award is not that hard to obtain, it just takes submitting your required reports in a timely manner, maintaining fiscal responsibility and keeping and gaining membership. This is a subject we will be addressing at the upcoming Convention in Pasco, so I encourage you to attend and learn what it takes. Every member should be asking at their regular Lodge meetings if the Lodge is on track for the Award.

The upcoming Annual Convention in Pasco is a chance for us to recharge our batteries, welcome new officers and chairmen into their positions and to hear reports from Moose International, Mooseheart and Moosehaven. We are doing well in our fundraising efforts for the "Uniting Hearts—Expanding Horizons" campaign, nearly half way there and still a year and a half to go. Way to go!

I'm looking forward to seeing a lot of you in Pasco for this 79th Annual Convention. Please start making your reservations now and registration is now open at wsnima.org.

John Mangiantini Secretary

Hello WSNIMA Members!

There will be a lot of information elsewhere in this issue regarding the upcoming Convention, so I will keep my remarks on it short. The only thing I want to mention is how great our official visitor, Wendy Matthew is. She has visited us a couple of times in the past, but as the women's OV. She now sits on the MI Board of Directors with Heather Morgan. Mr. Hart chose her for a reason. She understands our struggles and challenges with trying to keep all of our units afloat including WOTM and the Moose Legion. She will be on the schedule to speak several times. I strongly encourage you to come meet and engage with her. You won't be disappointed.

We are only signed for conventions and conferences through this upcoming meeting in Pasco. They are working on proposals for both meetings for 2027. Please know that I am very open-minded about where we meet, but pricing and space needs must be met. If you have an idea for a site, let's connect and talk about it. We are going to Pasco all the time, simply because they have the room and we can afford their prices. At most places I have investigated, the rooms are over $150 plus taxes and the meals are $35-$40 for breakfasts, $45-$50 for lunches, and $55-$75 for dinner. Our members simply wouldn't show up in the numbers we need at those prices. Creative solutions like we did at Long Beach work because the lodge carried a lot of the meal burden for us. If we get creative, I think we can make a lot of things work if we have a capable lodge in the immediate vicinity, especially for Mid-Year when hotels are much cheaper than they are in September.. Please contact me if you have an idea. My email address is johnmangiantini@hotmail.com.

I look forward to seeing you in Pasco in September.

Moose Legion Ambassador Mike

Mike Peabody
Moose Legion
Ambassador

Grumpypeabody
@hotmail.com

As your new Moose Legion Ambassador, I'd like to introduce myself and share why the Moose Legion and keeping it strong is so important.

Moose Legionnaires are leaders. They are the fuel that feeds the fire; the engine that drives the car; but most of all, they are loyal Moose members who roll up their sleeves and make things happen. They recognize that there are no greater responsibilities in this fraternity than strengthening its membership and providing financial support to Mooseheart and Moosehaven.

Since 1959, our Mooseheart children have enjoyed year-round recreation at Camp Ross, a one hundred fifty-acre facility located 60 miles west of Mooseheart. Funds from each member's annual dues are designated for the operation of Camp Ross and are used to maintain and expand the facility. This rolling, beautifully wooded retreat, combined with modern amenities and a secure location, has given our students a getaway that they continue to enjoy throughout the year.

Members of the Moose Legion also ensure top-notch medical care for our Moosehaven residents by maintaining the Moosehaven Seniors' Medical Fund. As with Camp Ross, a portion of each Moose Legionnaire's dues is used exclusively to help defray the increasing costs of medical services for our seniors. By assuming these added responsibilities, it is easy to see why the Moose Legion is identified as the "Degree of Service".

Beyond the Social Quarters: Shifting from a Private Club to the Heart of the Community

Many people view their local Moose Lodge simply as a private club with inexpensive drinks and fun weekend activities. While camaraderie is a core pillar, a lodge cannot sustain long-term growth by acting solely as a neighborhood tavern. To reverse membership stagnation and attract new, high-quality candidates, a lodge must lean into its core identity: becoming the **"Heart of the Community."**

True community engagement is not a secondary objective; it is the most powerful tool available for organic membership growth.

The Power of Visibility: Moving Outside Lodge Walls

To recruit new members, you must first reach the people who do not know the lodge exists.

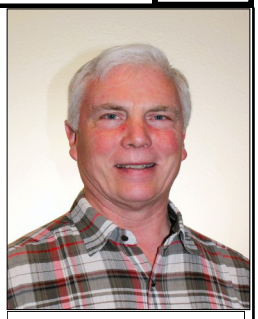
- **Public-Facing Civic Support:** Your Heart of the Community Reports are not just a routine annoyance from MI. Lodges should organize **visible** volunteer groups for local food pantries, disaster relief efforts, or blood drives.
- **Signature Civic Programs:** Actively deploying programs like Tommy Moose—donating plush crisis dolls to local police and fire departments—puts the lodge's name directly in front of emergency workers and grateful families.
- **Opening Doors to All:** Host community-wide holiday festivals, neighborhood safety seminars, or open-invite charity dinners. When non-members walk into a clean, well-maintained Moose Family Center for a public event, they experience the lodge's culture firsthand.

Transforming New Members into Active Leaders

Modern civic-minded adults are rarely looking for just another bar card; they are searching for a sense of purpose and local connection. Attracting a new member is only half the battle; retention requires immediate, active engagement.

Jim Hurst

Heart of the Community Chairman



Jim Hurst
Heart of the Community Chmn.
360-951-4750
J_mhurst@msn.com

- **Mandatory Orientation:** Lodges must host structured enrollment and orientation sessions at least every two months. Educating new initiates on global and local charitable footprints creates immediate institutional pride.
- **Immediate Project Placement:** Do not let a new member sit quietly in the back of the social quarters. Ask them about their favorite local causes and immediately plug them into a relevant civic committee.
- **Inclusive Leadership Culture:** A growing lodge requires men and women working together in harmony as equal units. Welcoming new, diverse perspectives on the board of officers ensures the lodge's calendar remains relevant to younger families.

The Bottom Line

When a Moose Lodge steps up to anchor its hometown, the community notices. People naturally want to belong to organizations that get things done. By leading with service, prioritizing public goodwill, and loudly championing the fraternity's charitable missions, a lodge stops chasing members—and instead becomes a community hub where neighbors actively line up to join.

NO Application Fee

May 1 — December 31, 2026 to join The Moose online

Beginning May 1, 2026, the **$20** application fee will be waived for new (enroll or re-enroll) applicants paying **2 years of dues** and using the **online application process only**. This will not only promote and encourage use of the available technology but incentivize member production, giving the lodges an extended opportunity to showcase the benefits of Moose/ lodge membership to include our fraternal endeavors as well as the local lodge amenities. This program will be evaluated on an ongoing basis and is scheduled to end Dec. 31, 2026.

Anyone interested in learning more about the Moose organization is encouraged to view the video message on our **www.beamoose.org** website where they will also have an opportunity to access the online application.

If you are a current member looking to sponsor a prospective member into the Moose Fraternity, please use our online application at **www.beamoose.org**.

The Moose Fraternity is a private organization. This correspondence contains general information available to the public, but should not be construed to be a solicitation for membership. To be part of the Moose organization, you need to be invited by a current member.

Our mission is to bring together like-minded individuals who share a commitment to fellowship, community involvement, and charitable giving. Through our Lodges, Chapters, Moose Legions, and dedicated membership, we work together to support Mooseheart and Moosehaven through Moose Charities while strengthening the bonds within our communities.

Every Lodge has unique ideas and traditions that can inspire others. Throughout our Association, I have seen many successful fundraising and engagement activities, including Fun Runs, Ugly Sweater Contests, 50/50 Drawings, Auctions, Endowment Campaigns, Raffles, and countless other creative initiatives.

As you attend Conventions, District Meetings, Lodge Meetings, and engage with members in your community, please share your successes and ideas. By learning from one another, we can expand our impact, raise additional funds for our charitable mission, and continue making a positive difference while enjoying the fellowship that makes our organization so special.

Your ideas, enthusiasm, and commitment are essential to our success. Together, we can continue supporting the important work of Mooseheart and Moosehaven and ensure that our mission remains strong for generations to come.

Thank you for all that you do. Thank you for being a Moose. Your dedication truly makes a difference.

I hope everyone is having a great summer.

This time of year can be such a tough time for lodges, with members going on vacations, heading out for weekend excursions. So be sure to get to your lodges and continue to support them.

August 8 is the District 1 meeting and Puget Sound Moose Legion 91 celebration at Snoqualmie Lodge 1666. Legion meeting is 1:00 pm with the district meeting at 2:00 pm. I hope to see a lot of you there.

And don't forget to register and attend the upcoming Annual Convention in Pasco.

It is hard to believe that summer is half over. I had a wonderful time during my District 2 President year visiting lodges and attending meetings. I thank each and every one of you for your support during the year.

Make sure you print the Premier Lodge Award checklist; this will help throughout the year to make sure you have what is required on time.

We need more attendees at the WSNIMA Convention in September. Get the word out and inspire your members and board of officers to attend this year. Tell them the fun we have and the Moose family you will meet. Rock of Ages is the theme so dress up for your rock generation.

Start working on your membership retention early in the year it really makes a difference later in the year.

I wish you all the best this year. Thank you for your dedication and hard work you do for Mooseheart, Moosehaven, your Local communities and your lodges.

It looks like District 3 Lodges are off to a great start for our 2026-2027 year.

I would like to see all our lodges get the Premier lodge award this year. It can be done and we need to work harder this year.

Our summer board in Bellingham was so fun and the Moose spirit was there. I would like to ask that we all be more Fraternal in our lodges, bring back the 9 O'clock prayer. All lodges are supposed to be doing it!

Please put the Orientation on one of your TV'S at a low volume, add Closed Captioning on it and just start playing it. You may be surprised how many members will be interested if it is available to them.

I am proud to say I will be staying on as the District 3 President this next year. I enjoyed my visitations, district meetings and association meetings. We have a great Association and members that care for our mission of helping others and Moosehaven and Mooseheart.

See you all in September at the Pasco conference. It's going to be fun. Keep up the good work

You can register for convention by clicking on the "Rock Your Age" record.

District 4 has been active within their lodges and communities. Congratulations to Grand Coulee for earning their 2nd Premier Lodge Award; and they are planning their annual family picnic which always brings many smiling faces. Quincy is working with the city and helping with the annual Farmer Consumer Awareness Day parade.

The International Convention was a great time for those of us that attended. We learned about new things taking place at Mooseheart and Moosehaven which is always a great reminder of the reason we are Moose. The trip included getting to attend the Meet and Greet with the NASCAR driver Ross Chastain who represents the Moose Fraternity while he races.

I was able to meet people from around the country and hear new ideas for our District 4 Lodges.

Conferences and conventions are something we should encourage members to attend; and have fundraisers at our lodges to offset costs for those members. It's always a great time and always has great information to bring back and inspire our lodges.

Our thoughts and prayers are with Mooseheart during this difficult time. We wish everyone affected a safe and steady recovery from the damaging storms.

The International Convention in Oklahoma City was a valuable learning experience and a wonderful opportunity to enjoy a city rich with history, beauty, and memorable sights.

The Lodges and Chapters of District 5 continue to support Heart of the Community activities in their local areas, helping bring a positive Moose presence throughout our communities

Our next District meeting will be held on August 1st at Finley.

We look forward to seeing everyone in September at the Annual Convention.

There are several things for you to be aware of in this issue. First, it is time to submit your candidate for the Hall of Fame award. This award is to honor someone for all they have done at the Association level over their years of service. Please send their name and the reasons you think they deserve this award to my email address included with my contact info attached to this article. I need this by August 5th please. We need time to judge and print the award before the fall convention.

The Lifetime Achievement Award, which encompasses a member's entire body of work, must be submitted to my email no later than October 1. I have sent the forms and instructions to Leaders and the Lodges/Chapters. If you cannot get a copy from your lodge or District Presidents, you can email me and I will send one to you. Remember this is not for someone in the middle of their career, rather a person with years of devotion to the fraternity.

Next, is the Pilgrim Robing ceremony for Brother Dan Barnhart. This will take place at the Kennewick Lodge Thursday evening of the Annual Convention at 6:30 PM following dinner. Please plan on being there to help Dan celebrate this awesome step in his Moose career. All Pilgrims and Fellows please be in your regalia. Women of the Moose are invited to attend in their Regalia, too.

That is all for now, see you all in September.

MOOSE GROWING TO SERVE

MAY 1, 2026 - APRIL 30, 2027

United, the Moose Fraternity continues to grow. Our purpose is to care for children and seniors and celebrate life; thereby making our society a better place in which to live. As we expand, we encourage others to join in our Mission by remaining determined in finding opportunities to provide support for our local communities. Rooted in purpose, we are growing to serve.

Sponsor 1 Member

GROWING TO SERVE lapel pins are presented by your Lodge, Chapter or Moose Legion to individuals that sponsor their first member during the campaign.

Sponsor 25 Members

Members attaining Sponsors of Distinction status by sponsoring 25 members during the **GROWING TO SERVE** membership drive will receive free basic registration for our 2027 International Moose Convention in Orlando, FL. Additional information can be found on **www.mooseintl.org**.

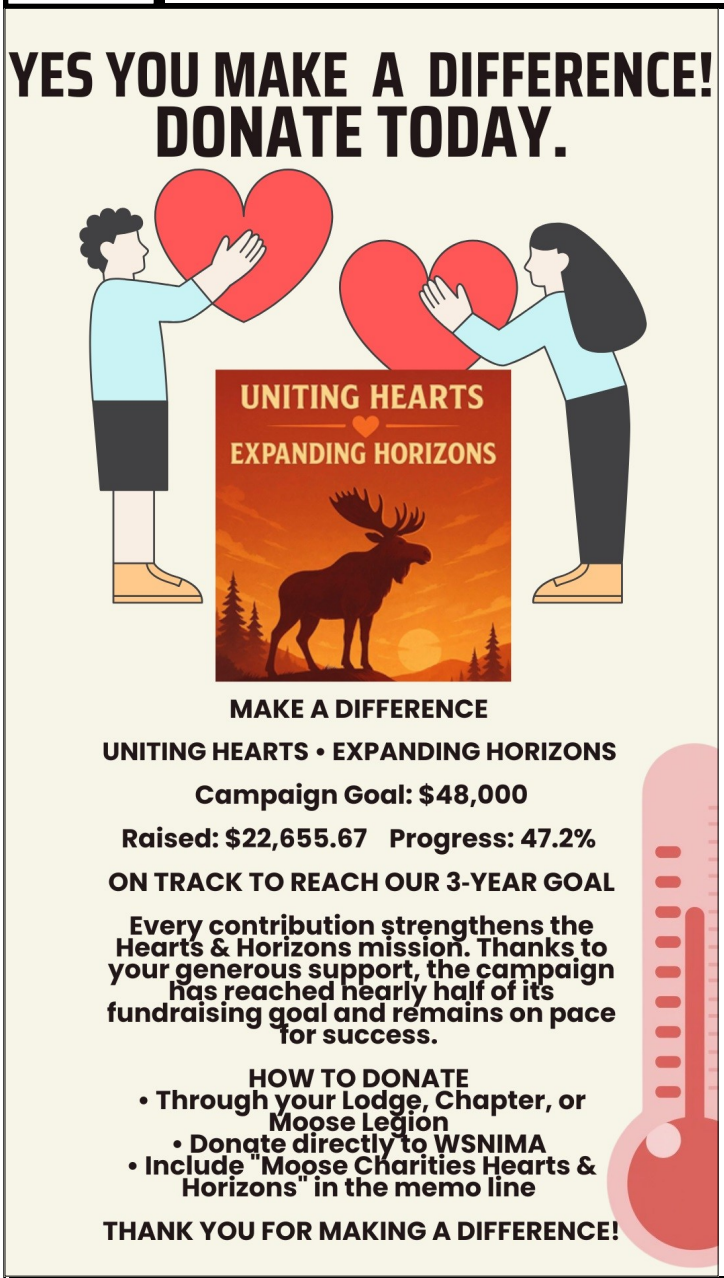
Sponsor 5 Members

Funds will be used toward Mooseheart for the purchase of two new complete sets of shot clocks for basketball games. These are important, as new regulations make them necessary, and will significantly benefit our student-athletes. Contributions are courtesy of your Association, the Women of the Moose and the Moose Legion.

MOOSE REWARDS

Earn Rewards simply for doing things that strengthen The Moose. Now is a great time to sponsor a member; serve in office; renew your dues or complete training. Each activity generates points automatically that you can use to pay dues, contribute to Mooseheart/Moosehaven, or redeem for Moose gift store purchases. Check your Moose Rewards points total today at **www.mooseintl.org** to see how many you have earned! Also, look for special promotions throughout the year for your chance to earn greater rewards.

Moose International is nearing their $12,000,000 3- Year Fund Raising Goal for Home Expansion and Structural Improvements on the Mooseheart Campus. Let's keep up the good work!



Our Mooseheart 3 Year Project is Doing Great!

Your Association's pledge of $48,000 to complete this Moose-heart project is well on it's way to completion ahead of it's 3 year deadline. As mentioned on the Moose Charities article, we have already raised 22,655.67 which is 47.2% toward this goal and we still have 1 1/2 years to go. What a great job you've done so far.

So, as you're contemplating your giving this year, be sure to add this to the projects you support. Please send your checks directly to Moose Charities and note on the memo line: WSNIMA Uniting Hearts Campaign. Your donation is always sincerely and greatly appreciated.

This campaign will expand the Mooseheart facilities, upgrade aging homes, provide integrated living homes for those in need and remodel our water treatment plant.

Thanks again for all you do.
